Chairman James Lankford
Senate Select Committee on Ethics
220 Hart Senate Office Building
Washington, D.C. 20510

Chairman Lankford:

The American Democracy Legal Fund is requesting an immediate investigation by the Senate Select Committee on Ethics into unethical and illegal conduct on the part of United States Senator Kelly Loeffler.

On November 18, 2020, Senator Loeffler was interviewed by Fox News from the United States Capitol building. In the interview, Senator Loeffler made a clear solicitation for campaign contributions when she told the viewing audience, "It's so important that everyone across the country get involved. They can visit Kellyforsenate.com to chip in \$5 or \$10 to get involved, volunteer..."

The Senate Select Committee on Ethics's Senate Rules and Standards of Conduct for Campaign Activity clearly prohibits campaigning and fundraising in federal buildings ([18 U.S.C. § 607](#)). We respectfully request an immediate investigation into Senator Loeffler's illegal solicitation of campaign contributions from a federal building.

Sincerely,
